

Criminal Justice Day at HCCC

Nov. 13, 2009 (Utica, N.Y.) – Seniors in the Criminal Justice program at the OHM BOCES Career and Technical Education Center attended the annual Criminal Justice Day at Herkimer County Community College (HCCC). The event serves as an overview of the college and academic programs including Criminal Justice, Cyber Security, Forensics, and Firefighting.

Several HCCC staff members provided demonstrations, lectures, and tours of the campus. CTEC students gained information on campus life, housing, admissions, and financial aid and enjoyed the opportunity to explore post-secondary educational programs in the criminal justice field.
