BOCES MEDIA TECHNOLOGY SERVICES

Website: www.oneida-boces.org/media
Web/MAX: webmax.oneida-boces.org

Don't Forget!

We will come to you for your training needs. We offer Web/MAX and Soundzabout training for your teachers. We will come to your school, train your teachers after school or for an entire day and introduce them to the

media services vast amount of resources from digital media and multiple books to DVDs and videos. If you would like to schedule an appointment for training please contact us at 793-8514.

Technology is full of "Gremlins" - if one of our digital titles does not stream, please email or call Kim

at 793-8515 or kcasselman@oneida-boces.org. This way she can address the problem and have the media up and running ASAP.

Upcoming Training - All trainings will be held in the Training Lab at 502 Court Street, Utica.

-If you send only the case back and not the actual DVD or video we do not check it in and will be considered late until it does come back.
-Please be sure to return items on time. Remember others may be waiting to use the media. If you think you need an extension call to see if it is still available.
-When we do off-air taping, on most stations, there is only 7-day airing rights - the item must then be returned to us after the seven days.
-If you have borrowed a set of leveled-readers be sure and return them on time - they are heavily booked.

The "CareerForward" Curriculum

Increasingly, multinational corporations are seeking young people who possess a global perspective and an appreciation that their academic preparation is vital to their future. Students who take the new online CareerForward course will better understand the crucial importance of their education and have the ability to improve their motivation and choices in high school and college. Students, parents and teachers can access the course at <http://review.careerforward.org/careerforward>.

The "Digital Citizenship and Creative Content" Curriculum

Students interact with music, movies, software, and other digital content daily. Do they understand the rules surrounding the appropriate use of these digital properties, and why these issues are relevant?

The Digital Citizenship and Creative Content program is a free, turnkey curriculum that offers cross-curricular classroom activities aligned with national standards. It is designed to raise awareness and foster understanding of the rights connected with creative content. Only through education can students gain a personal respect for creative rights and grow to become good digital citizens. Download this free curriculum today. www.digitalcitizenshiped.com
