Attention Music Teachers - Did You Know...

That you can submit your requests for new music through the end of June so they may be ordered in July. We want to have them cataloged and on the shelf ready to ship out in September. Please be very specific as to arranger, publisher, etc. We usually purchase 50 copies of choral titles. If you need more copies, please indicate the number you need.

When requesting solo music please specify 2 copies (if needed). If you want to know when your music arrives, you may give Dorothy your home phone or home email and we will contact you during July and August. We always try to let the requestor know when the new music comes in so it may be ordered immediately whether it is for the winter concert or the spring concert. Please work with us to serve your needs. We try to honor every request.

Summer Curriculum Work

We are air-conditioned and have a well stocked library of resources for you to use. We welcome teachers and administrators doing curriculum planning or curriculum mapping. Our staff will assist in any way we can to facilitate. You may check out materials and preview for the coming school year. It is a great time to browse the library and discover new possibilities for your students and get a head start on September without all the distractions. Any teachers who want to use our facility to develop lessons, preview, browse the library resources, etc. are welcome in our library. We will be happy to help in any way. We are closed July 3rd and September 7th only.

Lost, LOST, LOST

Please contact Dorothy Snow if you have lost any library materials. We need your cooperation to maintain the integrity of the collection. We must replace the missing items.

Summer School

We service summer schools. It is not too early to plan for summer school. Please contact us and we will help you find the resources you will need. If you are not going to be located at your same building during the summer, please call our office for a new login. We are open all summer, 8 a.m. to 4 p.m., Monday-Friday except for the Fourth of July holiday (July 3rd) and Labor Day (September 7th). Come and see us. We are here to help you. Explore the many resources available to teachers and students.
