Summer Training

We will be offering training again this summer. To see what trainings we are offering please visit our homepage at www.oneida-boces.org/media. You will be able to view class dates and a descriptions. Please be sure to register early, classes are filling up fast. If principals or technology coordinators would like training specifically for their teachers during the summer, at their building or here at the Media Center, please contact us ASAP.

There are many changes in BOCES Media Technology Services. Please pay particular attention so that you will be able to navigate the system.

WebMAX is changing to SNAP, Powered by WebMAX June 1, 2010. The web address remains the same webmax.oneida-boces.org You login and password remain the same. The Search page is different. I have notified all principals that we will come to your school to demonstrate the changes. However, many of you will be able to move right through SNAP. Please call or email the staff at Media Services for help.

SNAP provides advanced searching and a simplified federated search of all materials, digital, analog and print. It is more "Goggle like," in searching the curricula resources available through BOCES Media Technology Services.

Please call or email the staff at Media Services for help.

Beginning in September Timely Topics will be sent to the elementary schools 4 times a year, Fall, Winter, Spring and Summer. The Media Services Website will contain "Hidden Timely Topic Gems" for each month. I have added Digital resources, DVDs, VHS and multiple books by Guided Reading Level for your convenience. Please reserve the non digital media as soon as possible. SNAP will continue to give you confirmations just as you are accustomed to.

Attention Music Teachers - Did You Know...

That you can submit your requests for new music through the end of June so they may be ordered in July. We want to have them cataloged and on the shelf ready to ship out in September. Please be very specific as to arranger, publisher, etc. We usually purchase 50 copies of choral titles. If you need more copies, please indicate the number you need.

When requesting solo music please specify 2 copies (if needed). If you want to know when your music arrives, you may give Dorothy your home phone or home email and we will contact you during July and August. We always try to let the requestor know when the new music comes in so it may be ordered immediately whether it is for the winter concert or the spring concert. Please work with us to serve your needs. We try to honor every request.
