Reminder - Preview Media

Please Preview! Annotations in our catalog are included as a guide to selection. However, since materials are purchased to meet a variety of educational needs, it is recommended that **ALL MATERIALS BE PREVIEWED** that have not been used previously.

As announced in earlier issues, the Media Technology Services plans to do its part to start "Going Green" by eliminating hard copy newsletters within the next few months. This March 2010 issue of Media Etc. will be the last issue printed and distributed in hard copy to educators via school office mailboxes. Previous

and current newsletters may be found at: [www.oneida-boces.org/media_newsletter.htm](http://www.oneida-boces.org/media/media_newsletter.htm). Each monthly newsletter will be announced and linked in email sent out to district AV Coordinators. Beginning in April there will be no hard copies sent, but there will be an email reminder with a linked URL sent out to teachers to help you find the newsletter. Since the Media Etc. brings you information on new media and services, you'll want to make sure to check out each NEW issue! **Please be sure that we have your correct email address.**
