School year 2010-2011 will see some changes in the Media Library. More Digital Material will be added to our collections. If you are not using digital media, digital audio and digital sound, please take time to attend our many trainings. There is a full compliment of staff development this summer, July-August. We urge you to take advantage of all the resources available through your BOCES Media Services. There is no change for any of our trainings.

For those of you who use Timely Topics, next year you will be receiving Seasonally Topics - fall, winter, spring and summer. All the Topics will be DVD copies in the box. You will be encouraged to use the digital "Timely Topics" or to use other "top-ics" not found in fall, winter, spring and summer collections.

WebMAX will soon be updated to Snap Powered by WebMAX for any easier search, more "Goggle" like searching. As soon as we roll out this event, we will be training everyone. Look for more info in the June Newsletter.

Upcoming Training - All trainings will be held in the Training Lab at 502 Court Street, Utica.

## Attention Music Teachers - Did You Know...

That you can submit your requests for new music through the end of June so they may be ordered in July. We want to have them cataloged and on the shelf ready to ship out in September. Please be very specific as to arranger, publisher, etc. We usually purchase 50 copies of choral titles. If you need more copies, please indicate the number you need.

When requesting solo music please specify 2 copies (if needed). If you want to know when your music arrives, you may give Dorothy your home phone or home email and we will contact you during July and August. We always try to let the requestor know when the new music comes in so it may be ordered immediately whether it is for the winter concert or the spring concert. Please work with us to serve your needs. We try to honor every request.

## Summer Curriculum Work

We are air-conditioned and have a well stocked library of resources for you to use. Teachers are welcome to come to the Media Library to browse the collection of books, sheet music, audio books, DVDs, videos and kits. The staff will be happy to help you find materials. If you have not seen the book collection of over 250,000 books, please visit the library, 8am-4pm, Monday - Friday, except May 31 and July 5th.
