Copyright Responsibilities for Educators

Music - What can you copy?

You may make an "emergency" copy of music for an immediate performance only if replacement copies are on order. We will order additional copies of the music if you request them. The BOCES cooperative sheet music library purchases choral music, 50 or more copies at a time. If you require more copies please indicate the amount needed. We will always try to honor music requests. Books - You cannot copy an entire book. You may copy one chapter of a book. We buy multiple copies of books. When you request a book title, please indicate the number of copies needed. We usually buy 30 copies but honor requests for larger amounts 75-100.

Always Available - What does that mean?

When you see this in the annotation it means that we have a license to make as many as we need. It is always available. You may request this media for an extended period of time instead of the usual 5 instructional days. PBS titles from the Master Tape library also carry the "always available" designation. You may request these for as long as you want. However, you need to call the Media Technology office so that we may book these items for you.

Remember - We are your **Strategic Partners for Content, Curriculum & Compliance**. Contact us anytime to let us know how the Media Technology Service can better serve you! Our staff stands ready to assist educators with all of their media needs.

Citing the nationwide economic downturn and recent state budget cuts which significantly reduce support for station education programs, WCNY announced they will discontinue the PowerMediaPlus (PMP) portion of EdVideo Online effective June, 30, 2010.

They will continue to provide free of charge, VITAL New York, a free online library of digital media resources for K-12 classroom as part of their statewide EdVideo Online services. VITAL New York features public television video and interactive content and is fully aligned to the state's learning standards, with online video-based instructional activities for more than 2,000 resources. VITAL will be fully integrated into our BOCES online media catalog by the end of the school year.

All WebMAX users have a Learn 360 account for digital media. We now have a Learn 360 icon on our main WebMAX search page. Just click on the link and you will be able to go directly to Learn 360. But you may also continue to just search "DM" and you will be able to access their media right through our catalog.
