New Leveled Readers for Grades K-3

Anyone wishing to participate in our primary literacy leveled reading program should contact Media Services. We will automatically send multiple copies of books on the level you indicate each week of school from now until June. Your students will have the advantage of reading something new and exciting on their own reading level. We also recommend Between the Lions phonics videos from grades kindergarten to first grade. These too can be booked by our staff and sent to you each week of school. You must request this

service. Call or email - 793-8513 or ssallustio@oneida-boces.org.

Collections on Web/MAX

To assist educators in easily locating appropriate educational resources, the Media Technology Services has organized titles thematically into "collections." When using Web/MAX to locate and book media, one of your choices is to review the collections. When you select this option, you see a list of collection titles, such as "Reading Rainbow," "PBS Video Database," or "Multiple Books." Collections pull together all titles on a specific topic or series so it is very convenient to locate media this way. You may also print these collections if you want a hardcopy to refer to. Let us know if you have suggestions for collections you'd like to see added to Web/MAX.

E-mail Us!

If you have any questions or comments, ideas or just would like to schedule media, please feel free to E-mail us!
