A teacher is a compass that activates the magnets of curiosity, knowledge, and wisdom in the pupils.
~Ever Garrison

Reminder - Preview Media

Please Preview! Annotations in our catalog are included as a guide to selection. However, since materials are purchased to meet a variety of educational needs, it is recommended that **ALL MATERIALS BE PREVIEWED** that have not been used previously.

**HAVE A
GREAT
SUMMER!**

Media Etc. is edited by:

Sylvia D. Sallustio
Coordinator of Media Technology Services
Technical Production by:
Theresa VanHatten
Administrative Assistant

- *Reminder* You may rebook items for next year that you have used this year by going to Past Orders (on the left) on the Search Page in Web/MAX. Just click on the titles you want to use again and select Order. Then put in the dates you want these items booked. You may also use this service for reviewing all the media you have used during the school year. However, if you are changing school buildings please wait until the end of school year to change your location in our database. Contact Dorothy Snow. Dorothy will take care of any changes, including school district changes, building changes and name changes.

-We also have a "Selection for Purchase" that you may fill out and send to us for video, book, audio book, etc. titles that you would like us to purchase for next year. Music teachers may also use this for sheet music titles.

E-mail Us!

If you have any questions or comments,

ideas or just would like to schedule media, please feel free to E-mail us!

Come Visit Us this Summer!

You are **Welcome to Visit** us this summer. We will be closed July 4, 2008, otherwise we will be working in the Media Library and Music Library making improvements, processing new titles and serving summer schools in Herkimer and Oneida BOCES areas. You may check out materials and preview for the coming school year. It is a great time to browse the library and discover new possibilities for your students and get a head start on September without all the distractions. You may do planning and ordering here at our facility. Staff will be on hand to assist you. If you have any curriculum work going on, give Sylvia Sallustio a call or email at ssallustio@oneida-boces.org to see if she can assist you. We are air-conditioned.

Attention Summer
School Teachers!

Summer School teachers need to attend a Web/MAX training before the start of the summer session.

Training Dates: June 5 3-4 P.M.
June 10 2:45-3:45 P.M.
June 12 3:15-4:15 P.M.
June 23 3-4 P.M.
June 25 2:30-3:30 P.M.

All training will take place at our training lab at 502 Court Street, Utica - 3rd Floor. Teachers who are already trained in Web/MAX may order **only** if they have notified our office of their location. If you order using your current user ID the media will be delivered to your school building, **NOT** your summer school location.

LAST DIGITAL STREAMING TRAINING FOR THE SCHOOL YEAR

Digital Streaming is the wave of the future. Learn how Media Services is bringing new Digital Streaming experiences to you. Learn about Video furnace, Digital Streaming Channels, Program Recording and Learn 360. Don't miss out on this opportunity. Integration of video and other media to support instruction, enables, you the classroom teacher, to address many learning styles. Contents is key in preparing our students. Our next class is June 11 from 3:00 - 4:00 p.m. in the Training Lab, 3rd Floor, Court Street, Utica. Please email Kim Casselman at kcasselman@oneida-boces.org or call 793-8515 to register.

New For Next Year

- There will e a new volume added to Soundzabound. The content will be Indie Bands
- More content will be added to Learn360
- New digital titles, 100+ in social studies, science and math
- Big Books will be separated. The small books will be on the shelf like the other multiple copies and ordered as needed. The big book will be available separately but will show up on the Web/MAX order form for your convenience.
- Many of your favorite titles available in the Science Kits will now be available in multiple copy through the Media Library. Our science titles in multiple copy match the reading level and content of the local curriculum and science kits available through the Elementary Science Center. We can help you match your curriculum to our library titles.
