Reminder - Preview Media

Please Preview! Annotations in our catalog are included as a guide to selection. However, since materials are purchased to meet a variety of educational needs, it is recommended that **ALL MATERIALS BE PREVIEWED** that have not been used previously.

New Digital Content that is available. Access Learn 360 in WebMax. This collection includes streaming video and video clips, audio, images, state standards and teacher's guides. The curriculum material is integrated into WebMAX. There are PBS and National Geographic programming available for the first time as streamed video. There are over 2500 new digital titles for you to explore. We will continue to place all curriculum materials in WebMAX so that you will only have to log-in once with one password.

Research & Writing Workshop

When: March 14, 2008 9 a.m. to 2:30 p.m.
Where: Mohawk High School Library and Computer Lab
Audience: Librarians & Classroom Teachers (May come as a team or individuals)
Presenters: Sylvia Sallustio, Media Technology Coordinator
 Patricia Skelly, School Library System Coordinator

Content: This hands-on workshop will provide time, expertise, and resources for you to use in creating research units in collaboration with classroom teachers. Participants will explore research, related materials (electronic & print) and writing materials. Some ideas for lesson enhancing resources to be explored will be: ***sound *video streaming *photos *music *links to internet**

Time will be given to explore online resources and/or to develop an outline for a collaborative research unit proposal.
