### **Itinerant Services for Academic Programs**

BOCES shared service budgets include costs for personnel and mileage reimbursement. There is a limited budget for equipment and supplies when they are shared between participating schools.

Itinerant services and academic center-based programs are possible whenever two or more districts wish to participate in that program.

Generally, anytime a school district's anticipated need is for a .60 FTE or less in any instructional support service category, consideration should be given to securing that position through BOCES.

The following is a list of some of the services that are not currently provided but could be provided if a need is identified by districts: General Education; Remedial Reading or Mathematics; Occupationally Related Math or Science; Social Studies; Business; Languages including Latin, Italian, Japanese, Russian, Chinese, German, or Hebrew; Advanced English; Foreign Language; or Social Studies.
