Photography & Graphic Design

Learn the basics of the popular program Adobe Illustrator. Learn how to create your own illustrations using the tools provided in the program. You will also have the opportunity to work on a personal project of your choice such as creating your own fathead heads, stickers, banners and more. Come join in on the fun of graphic design and bring your creativity!

Self Enhancement

Would you like to learn how to pamper yourself and others? Come spend a week in a salon setting to learn about proper sanitation during hair styling, nail care and skin care techniques. You will become familiar with the professional career options for the licensed cosmetologist. Braiding, manicures, pedicures and facials will leave you feeling great about yourself after spending a week in our salon and spa.

Creative Cooking

Sweets, treats and things to eat! Learn your way around the kitchen while making breads, cupcakes, cookies, soups, sauces and more. This program will teach basic safety and sanitation practices while you learn to prepare interesting and delicious foods. Grab your wooden spoon and apron and join us to cook up a storm!
Don’t be bored this summer . . .
Come join the fun!

Summer Camps
Engaging workshops for students entering grades 7-10

Registration Form

Summer Camps - July 8-11, 2019 - 8:30 a.m.—3:00 p.m.

Name _______________________________________________________
Address ______________________________________________________
Phone __________________________________ Home School ____________________________

What camp are you interested in?

1. First Choice _______________________________________________________
2. Second Choice _______________________________________________________
3. Third Choice _______________________________________________________
