Commitment for Participation in Engineering by Design 2017

The _____ School District agrees to participate in Engineering by Design™ statewide training in 2017.

Registration Deadline is: May 31, 2017.

**Please note that trainings are subject to cancellation if participation is low.*

District commitments:

1. The district will pay the New York State Consortium fee for use of the EbD K-12 Curriculum. The Oneida-Madison-Herkimer BOCES serves as the lead agency. The maximum fee for the cost of participation will be **\$1,730** per district. **This will be a yearly fee that districts must pay to continue utilizing the online curriculum.**
2. The district will **complete** and **sign** the New York State Engineering by Design™ Agreement form and this commitment form found on the OHM BOCES website at www.oneida-boces.org/ebd. Please return completed and signed forms to OHM BOCES by mail or e-mail: jpalmer@oneida-boces.org.
3. Teachers **must** go through training prior to teaching the EbD curriculum. Training will be offered for four days at **NYIT (Old Westbury Campus, Long Island)** from **June 26-29, 2017**.
4. All districts using EbD and its resources, whether teachers are being trained this year or not, **MUST** pay the consortium fee of \$1,730.
