

# What If You Had Animal Hair!?

## Teacher Instructions:

This page is a reading response page to be used with the story *What If You Had Animal Hair!?* by Sandra Markle

After reading the story, make a list on the board of different animals in the story. Have students tell you some facts they remember about the different animals. Students will then choose one animal from the story. Copy the graphic organizer for each student and then have students either draw a picture of themselves with the animal hair or take a picture of each student that they can glue on the page and then draw the animal hair. They will then also write three facts about the animal they chose that they learned about in the story.

Enjoy!
