ISBN:0-06-000106-2

Non-Fiction Paired Book Title: Farm Animals

Publisher: Dorling Kindersley **Copyright:** 2005

ISBN: 0-7566-1272-1

Activity Idea – short description: (if you have full directions you want to share beyond the short description please attach)

When Hilda Mae Heifer gets hit with a “high flying cow pie”, she loses her memory and has to figure out what type of farm animal she really is.

This ties in directly with the kindergarten CCC listening and learning domain 5 on farms.

This book works well for discussing animal classification. For example, a chicken has what identifying traits? You can do a chart on the board using illustrations or words or students could complete one on their own or in pairs.

I have also shared a separate document titled Moo Who Activity (needs to be landscape layout and I couldn't make that work in this document.)
